# World shrimp imports have surged with the US and China leading the pack.

Latin America is the main driver of growth of the industry while Asia shows a mixed perspective.

# Within Europe Spain and France continue to lead but Netherlands increases imports most drastically

Overall imports in Q1/2 2022 look good. But big differences between countries and regions.

	Year total 2021	Year total 2022	Growth
Spain	36,856,677	39,556,030	1.07
France	47,233,632	37,494,012	<b>0.79</b>
Italy	9,832,254	21,685,533	2.21
